(Chorus)

Giddyup, here we go, here we go, here we go,
Giddyup, here we go, I'm a swingin my rope
Giddyup, here we go, here we go, here we go,
Giddyup, here we go, I'm a swingin my rope

Ah, ah, ah, ah, ah... ah, ah, ah, ah, ah – (Indian chant)

(v1) Wake up in the middle of the night

Giddyup, here we go, here we go, here we go,
Reach out my hand everythings alright,
Ah, ah, ah
Firmly rests one a soft warm hide
Giddyup, here we go, here we go, here we go,
Tighten up the saddle we're goin for a ride,
Yeah, yeah, and we're goin for a ride...
Yeah, yeah, and we're goin for a ride...

(v2) One hand on the horn and the other hand high

Giddyup, here we go, here we go, here we go,
Giddyup, here we go and we're goin for a ride
Ah, ah, ah
Ridin up the middle and we're riding up the side
Giddyup, here we go, here we go, here we go,
Giddyup, here we go and we're goin for a ride
Yeah, yeah, and we're goin for a ride...
Yeah, yeah, and we're goin for a ride...

(chorus) – then solos during verse instrumental, then...

(v3) Under a full moon, stars in the sky

Giddyup, here we go, here we go, here we go,
Wind on my face pulls tears from my eye
Ah, ah, ah
Ride through the night to the other side
Giddyup, here we go, here we go, here we go,
Giddyup, here we go and we're goin for a ride
Yeah, yeah, and we're goin for a ride...
Yeah, yeah, and we're goin for a ride...

(v4) Listen to the rhythm can you feel my stride

Giddyup, here we go, here we go, here we go,
In the whisperin wind I can confide
Ah, ah, ah
Alla mana left and an alla mana right
Giddyup, here we go, here we go, here we go,
Dance all night in the countryside
Yeah, yeah, and we're goin for a ride...
Yeah, yeah, and we're goin for a ride...

(chorus)
