When life is hard, we all need a little rock.
Grab a couple chords, and some strings, and let's go for a walk

Don't stop 'til we get there, get some in each town,
The taste, smell and sights and sounds of rock and roll, are hard to set down.

So we keep on walkin, we're goin Hard Rockin,
We're gonna see you in the next town.

Hard as diamonds, soft as fur
Rock and roll is a boot with a spur
Ride all night, put away wet,
The Hard Rockin' life, as hard as it gets

Choir or Pat stacked –

2 blank...

Goin Hard Rockin, Goin Hard Rockin, Goin Hard Rockin, Goin Hard Rockin (x 2)
MMMM, MMMM, MMMM, MMMM, (underneath the above phrase on 2nd & third pass)
Amin – G – F2

Keep goin with the MMMM, while doing this verse

When life is hard, we all need a little rock.
Grab a couple chords, and some strings, and let's go for a walk
Don't stop 'til we get there, get some in each town,
The taste, smell and sights and sounds of rock and roll, are hard to set down.

Drums kick in good here...

So we keep on walkin, we're goin Hard Rockin,
We're gonna see you in the next town.

Hard as diamonds, soft as fur
Rock and roll is a boot with a spur
Ride all night, put away wet,
The Hard Rockin' life, as hard as it gets

Guitar Solo...(sounds like MMMM vocal)

Choir or Pat stacked –

Goin Hard Rockin, Goin Hard Rockin, Goin Hard Rockin, Goin Hard Rockin (x 2)
MMMM, MMMM, MMMM, MMMM, (underneath the above phrase on 2nd & third pass)
(Then Pat over the top... -) The Hard Rockin' life, as hard as it gets, The Hard Rockin' life, as hard as it gets

When life is hard, we all need a little rock.
