(e)Every night when the lights turn dim  
(a)He looks at her and she looks at him  
(g)Somethin wells up inside their soul  
(e)She feels the rock and he feels the roll

Walkin over to the tune machine  
He turn it up, they both let out a scream  
Dress up for a night on the town  
Of Hard Rockin, Rockin, Rockin

(Chorus x2)

It's a (c) Hard Rockin (d) America

(e) Oh yeah, Take a big bite

It's a © Hard Rockin (d) America

Oh (b) yeah, Rockin all night

Where the metal meets the Rollin Stones  
We can feel it in our flesh and bones  
Wind it tight, let it grind all night  
Rockin baby, whether wrong or right

Oh ! Let it burn, let it smoke like wood  
Poundin rhythm guitar lick so good  
Light the fuse, point it toward the stars  
We are Hard, rockin, rockin
