INSPIRED BY BARACK OBAMA
Bergevin Brothers Music

Please join the music community organizers and the makers of the internet hit "Fired Up, Ready To Go" to hear some of the music from the new album, eat some appetizers and meet the musicians and singers. CD's will be on-hand for those who would like to take one home. All Profits to benefit hurricane victims in the US.

This celebration is the culmination of seven months of hard work on the behalf of Pastor Patrinnell (Pat) Wright, the Total Experience Gospel Choir, Matt Cameron, the Bergevin Brothers and a host of other talented individuals. The album was recently released at the *Democratic National Convention in Denver* where it was received with delight by delegates and convention attendees. What began as a single music community effort to give voice to a message of hope and change for our country ended with this inspirational collection of songs. We hope that it inspires you to organize a project with members of your own community. All profits from the sale of the album will support Rev. Wright's outreach ministry to the survivors of hurricanes in the US who still need our assistance.
