(C) I am (G) broken, (Am) God, why haven't you (F) spoken?

(C) I've been sending you (F) prayers for (Gsus4) years.... (G)

(C) I believe (G) though, (Am) still somehow you (F) know, how

(C) All of the (G) pieces are (C) whole

(G) Way up high, (F) a million times higher than (C) I,

You (F) watch me (D/F#) here as I (Gsus4) cry... (G)

(C) I am (G) broken, (Am) God, why haven't you (F) spoken?

I've been (C) sending you (G) prayers for (C) years

(Bridge)

There (C), there (G), there there my (C) child... (G)

I (F) hear every word, all the (C) while.... (G)

And (F) though, your (G) ears and eyes may not (Am) sense... (F)

(Chorus)

Just trust the (C) silence...(G), trust the (Am) silence...(F)

Yes trust the (C) darkness...(G), trust the (Am) darkness...(F)

Trust in (C) God...(G), child, trust in (Am) God...(F)

Yes trust the (C) silence...(G), trust in (C) God...

(Verse 2)

I am reaching, God, what are you teaching, where should I turn, how will I know?

You will show me, I hope that you know me, then, only then, I am whole...

Way up high, a million times higher than I, you watch me here as I cry.

I am reaching, God, what are you teaching, where should I turn, how will I know? (Then Bridge)
