

Let Us Be

(Home sweet home, home sweet home, home sweet home, home
sweet home)

We're standing shoulders strong
Lifted by common ground
When our voices ring
The world will hear us sing
A chorus that shouts from sea to sea
This is our home.
We always stand up to meet each test
We believe peace will bring out our best
Holding out hope so faithfully
McCartney said let it be
...Let it be,
Let us be a book in the hand
Let us be good stewards of land
Let us be a blanket at night
Let us be...
Let us be a strong constitution
Let us be the better solution
Let us show the world that we care
Let us be

Building up others, we rise up
Now sisters and brothers, we're fired up
While each candle glows
We watch the fire grow
The love from our hearts pours on this land
This land is our home
We want our child to know the best love
We give and we give, then we rise above
With each of our private prayers
We sense each other there
...Let us be
Let us be the mother at night (Home sweet home)
Let us be the end to the fight (Home sweet home)
Let us be the change that we seek
Let us be... (Sweet Home, sweet home, sweet home)
Let us be the faith of us all (Home sweet home)

Let us be judgment at a 3am call (Home sweet home)

Let us be where the heart is at home

...Let us be

(Choir only next....)

Let us be – (Pat) in the middle of some troubled times we reach inside and {let us be} summon up the courage to endure with pride

Let us be – (Pat) the humble servants to our neighbors and all {let us be} others while pursuing good relations under God we are one nation

Let us be...I can feel you beside me (Let – us – be)

...I can hear, you guide me

Let us be...Taste the salt of our labor (Let – us – be)

...It is the flavor we savor

Let us be...I can see where you lead me (Let – us – be)

...I can smell freedom sweetly

Let us be...I can, yes I can

Let us be...

Let us be a book in the hand (Home sweet home)

Let us be a good steward of land (Home sweet home)

Let us be a blanket at night

Let us be...

Let us be a strong constitution (Home sweet home)

Let us be a better solution (Home sweet home)

Let us show the world that we care

Let us be...

(Modulate now)

Let us be the mother at night (Home sweet home)

Let us be the end to the fight (Home sweet home)

Let us be the change that we seek

Let us be... (Sweet Home, sweet home, sweet home)

Let us be the faith of us all (Home sweet home)

Let us be judgment at a 3am call (Home sweet home)

Let us be the strong heart we call home

Let us be...

Let us be...mind over matter

Let us be...a rung on this ladder

Let us be. Let us Be. Let us be...

(Choir)

...From sea to shining sea
